**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to express my strong opposition to AT & Ts Petition to limit the options for the public. The options are already fairly limited so further limitations will be extremely harmful. Previously we had DSL which proved highly unreliable and slow. Where we live our options are limited and for some of those options do not offer the type of service we need at a cost that is far too costly. We are extremely pleased with the service we currently have through an independent carrier named LMI. I oppose 100%.

Thank you.
